Picture 2-2

2.2 Account Management

2.2.1 Image Change

My File

After the system login(Picture 2-2), choose  to enter the background management(Picture 2-3), select "Account Management" to enter picture 2-4, you can modify the image.

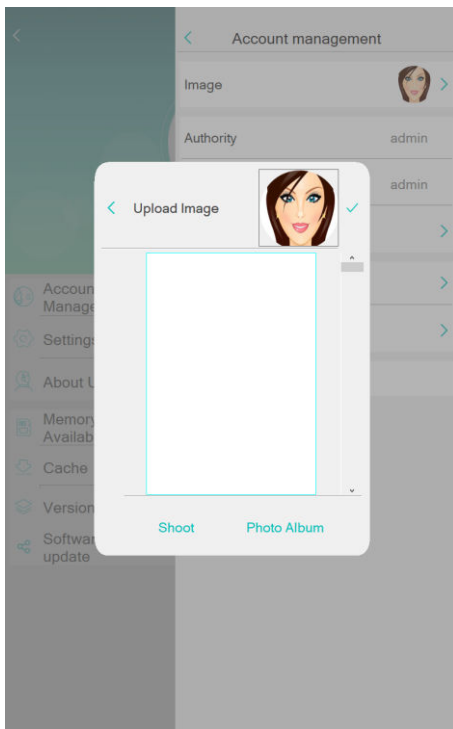

Picture 2-3

Picture 2-4

Click "Image" to enter the shooting interface. If want to take a picture, click the "shoot", as shown in picture 2-6. If need upload an existing picture, click "Photo Album" and click "✓" to confirm image changed.

Picture 2-5

Picture 2-6

2.2.2 Password Change

Click "Change Password" in picture 2-4 to change the account password, as shown in picture 2-7.

2.2.3 View Other Accounts

Click "Check Accounts" to view or modify other sub-account information, as shown in picture 2-8.

Picture 2-7

Picture 2-8

2.2.4 Create A New Account

In Picture 2-4, click "Add Account"(Picture 2-9), enter into image, account name, password, press "Save".

2.2.5 Exit Account

If you want to exit to the login interface, click "Exit", as shown in picture 2-10.

Picture 2-9

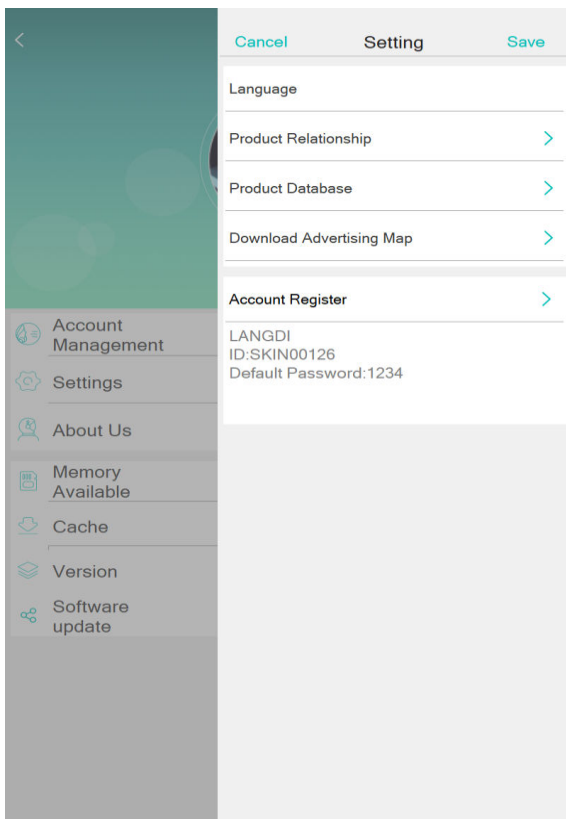

Picture 2-10

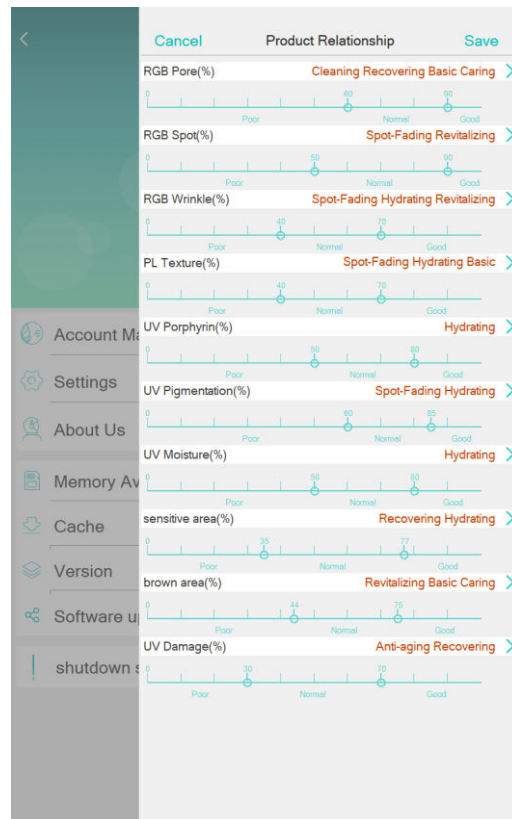

2-3 About Settings

2.3.1 Product Relationship

As shown in picture 2-11, click "Product Relationship" to enter into the association interface of analysis category and product category. As shown in picture 2-12.

Picture 2-11

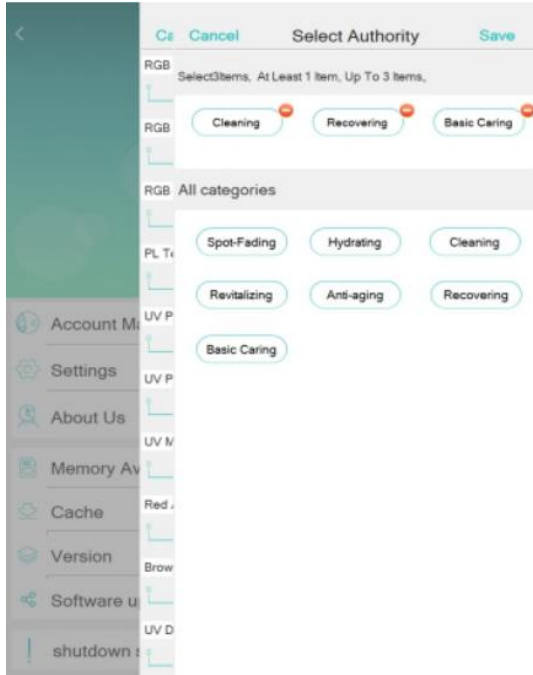

Picture 2-12

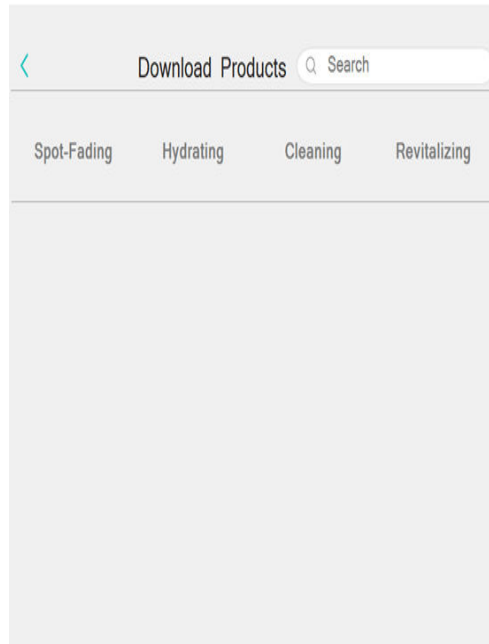

Click picture 2-12  to enter "Select Authority" as shown in picture 2-13, can add or delete product categories.

2.3.2 Product Download

Select picture 2-11 "Product Database" to enter "Download Products", can download and add products, as shown in picture 2-14.

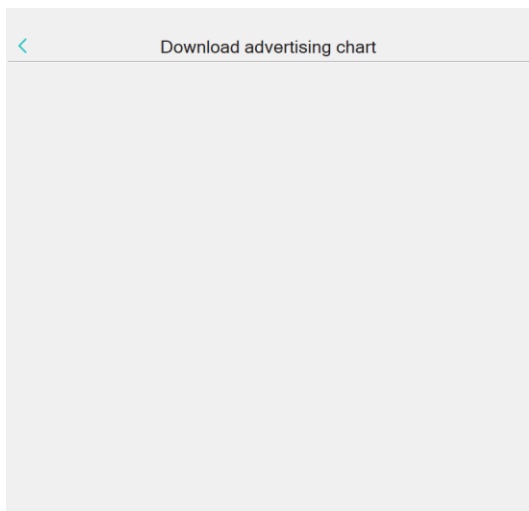

Picture 2-13

Picture 2-14

2.3.3 Advertising Download

Click picture 2-11, "Download Advertising Map" enter into "Download Advertising Chart" as shown in picture 2-15, click picture 2-11, "Account Register" enter into the interface shown in picture 2-16, if you need the invite code, please contact supplier.

Picture 2-15

Picture 2-16

2.3.4 Clear Cache

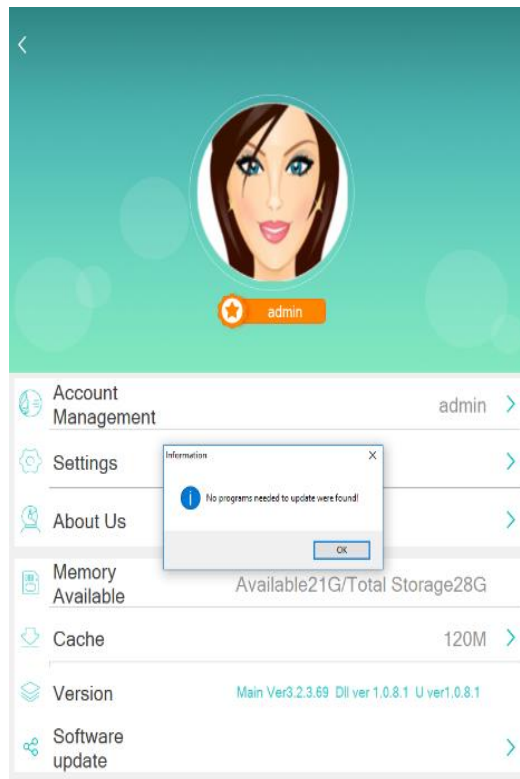

Click picture 2-3 "Cache" to clear the cache, as shown in picture 2-17.

2.3.5 System Updates

Click picture 2-3 "Software Update" to update system, as shown in picture 2-18.
